Date examined

What did you actually see?

Both digital readers list 68 scan positions. Record the first and last printed page numbers and any gaps, duplicates or spreads in your copy. For digital files, include the format and file count.

Printed pages or digital files compared

Loose or attached extra

Choose status

Describe the extra, its markings or evidence of removal

May only: the Sun & Snow offer on printed page 7 does not identify a surviving loose insert.

What may AA do with the material?

Record the permission already given for each use. If authority or scope is unclear, choose Unknown.

Keep a private preservation copy
